

WCF Hall of Fame Regulations

Effective Date 2.1.06
Version 1

0.1. Introduction

At the inception of WCF in 1986, certain principles and objectives were established to promote the sport of croquet throughout the world. One of these is enshrined in the WCF Rules (Statutes) - ***(103.11) To make awards to those who have contributed to the achievement of the Federation's aims.***

Many sports and pastimes have recognised the leaders in their chosen field, either as practitioners or as supporters, sometimes by tokens (gold watches), awards (Oscar's), medals, certificates or by other means. All have a common theme, to thank those that have demonstrated exceptional ability or generous support. To fulfil the WCF objective above, it has been decided that the WCF should make regular awards to qualifying persons and induction into a WCF Hall of Fame, that shall be virtual based on the WCF web site.
