Note on withdrawals:

If a withdrawal occurs from somebody who has received a Ranking Place, the highest ranked person on the Replacement lists (on that date), from a country which has not reached the maximum country limit of 3, will be offered the place.

After the Closing date (16th April), if a person withdraws who has received a Membership Place, the Member has 14 days to nominate a replacement. If no replacement is nominated the place reverts to the Replacement list.
